Inclusive Practices

A four-hour training series on Inclusive Practice was provided to the CNMI child care providers on April 01, 2023. It was facilitated by *Ms. Nerine Villagomez* from *Evergreen Learning* and held at the Evergreen Learning Facility in Chalan Kanoa, Saipan.

On the first day, providers reviewed over the laws that protect individuals with disabilities and the different categories of disabilities under IDEA. Participants engaged in meaningful discussion, watched a video clip, and shared strategies that would help all children with special needs learn in an inclusive classroom.

This training is made possible through funding from the Department of Health and Human Services, Office of Child Care, CNMI CCDF Program under the Department of Community and Cultural Affairs.
