Child Care Providers Attend the Health and Safety Training on Prevention of Infectious Diseases

On Saturday, July 22, 2023, the Evergreen Learning Coach Russelle Mae Ignacio, conducted a two-hour (2) training on the ‘*Prevention of Infectious Diseases*’ including immunization. Eleven (11) child care providers in Saipan attended this health and safety training via remote learning.

This health safety training is required for all new providers and must be taken every three (3) years for ongoing providers. The standards mentioned in this training is mandatory for all child care programs. Child Care Licensing Program (CCLP) and *Caring for Our Children* (CFOC) have very specific regulations that deal with sanitation, hygiene, and immunization.

This training is made possible through funding from the Department of Health and Human Services, Office of Child Care, CNMI CCDF Program under the Department of Community and Cultural Affairs.
