Child Care Providers Attend the Health and Safety Training on Recognition and Reporting of Child Abuse and Neglect

A two-hour health and safety training on the “*Recognition and Reporting of Child Abuse and Neglect*” was provided to fifteen (15) ongoing childcare educators in Saipan and Tinian via remote learning on December 9, 2023. The training was conducted by Evergreen Learning Technical Assistance Specialist, Russelle Mae Ignacio.

In this training, the participants learned how to prevent, identify, and respond to child abuse and neglect for children in their care. These participants were also reminded of their responsibility as a mandated reporter.

This training was made possible through funding from the Department of Health and Human Services, Office of Child Care, CNMI CCDF Program under the Department of Community and Cultural Affairs.
