Vision for Children and Families:

“All children in the CNMI will be safe, healthy, and thriving members of our culturally diverse community. Their families will have access to the high quality supports they need to achieve their potential.”

Child Care Providers Attend the Health and Safety Training on Prevention of Sudden Infant Death Syndrome (SIDS) and the Use of Safe Sleep Practices

On June 15, 2024, ten (10) Child Care and Development Fund (CCDF) providers completed the training on the *Prevention of Sudden Infant Death Syndrome (SIDS) and the Use of Safe Sleep Practices*. This training was facilitated by Evergreen Learning Training and Development Specialist, Grace M. Mallari.

The goal of this 2-hour training is to help providers understand Sudden Unexpected Infant Death (SUID) and Sudden Infant Death Syndrome (SIDS), recognize risk factors, and implement safe sleep practices to reduce the risk in childcare settings.

This training is made possible through funding from the Department of Health and Human Services, Office of Child Care, CNMI CCDF Program under the Department of Community and Cultural Affairs.
