Vision for Children and Families:

“All children in the CNMI will be safe, healthy, and thriving members of our culturally diverse community. Their families will have access to the high quality supports they need to achieve their potential.”

Health and Safety Training on the Prevention and Control of Infectious Diseases Including Immunization

On August 20, 2024, twelve (12) participants from Pure Love Daycare, SmartStart Nurturing Center and Team Koka–Tinian completed a two-hour training on the *Prevention and Control of Infectious Diseases Including Immunization*. This training was facilitated by Evergreen Learning Training and Development Specialist, Grace M. Mallari.

Through this training, participants explored how infectious diseases are spread, examined handwashing policies and procedures for both children and staff, and distinguished between cleaning, sanitizing, and disinfecting.

This training is made possible through funding from the Department of Health and Human Services, Office of Child Care, CNMI CCDF Program under the Department of Community and Cultural Affairs.
