Health and Safety Training on Precautions in Transporting Children

On November 23, 2024, twenty (20) participants from Loving Hands Daycare Center and Pure Love Daycare completed a two-hour training on *Precautions in Transporting Children*. This training was facilitated by Evergreen Learning Training and Development Specialist, Grace M. Mallari at the Evergreen Learning Training Center in Chalan Kanoa, Saipan.

The aim of this training is to provide information on the application of health and safety standards in relation to appropriate precautions to take when transporting children, to increase knowledge of how to identify hazards in and around vehicles, and to teach ways to protect children from risk and injury from those hazards.

This training was made possible through funding from the Department of Health and Human Services, Office of Child Care, CNMI CCDF Program under the Department of Community and Cultural Affairs.
